

**MONMOUTH COUNTY SCHOOL COUNSELOR ASSOCIATION
2016-17 Membership Application**

The Monmouth County School Counselor Association invites and encourages you to our local professional organization. Our association has about 250 active members comprised of school counselors and counseling department directors, who have an impact on students in our elementary, middle and high schools, as well as our colleges. We also welcome students matriculated in a school counseling program, and of course, retired counselors from our profession.

We are excited for another eventful year! Our meetings are held four times per school year (October, December, February and June) and offer each of us the opportunity to grow professionally, recognize our own achievements and network with each other in a variety of settings, while we explore topics of interest and importance to all counselors. Our annual Good Ideas Conference is planned for the spring and is always a successful and an informative event. Meetings and events are free or discounted to our members. Additionally, MCSCA is an approved provider of continuing education hours so that members can receive credit for attending our meetings.

Choose to be a counselor who cares about his/her profession and join MCSCA today!

You can pay dues one of 3 ways:

- 1) Complete form below and include a check/PO payable to Monmouth County School Counselor Association and mail to Courtney Colford, Membership Chair, at address listed below
